Dear Chair Forese and Commissioners,

I ask that you Vote No to any unwarranted increases to our monthly utilities!

Being the owner of a small business this proposed increase could have detrimental effects on my business. Anything that takes from the resources at my disposal can restrict my ability to operate or expand my business.

It is perplexing that APS would ask for something that is not in the best interest of customers.

While reviewing the proceedings of this case, please fight for the small businesses and residential customers who rely on APS.

Thank you,

Jesús Medrano
